TENOR.

Illustrissimo Proceri, claroq; multis nominibus,
Domino Lumley, Mæcœnati suo clementissimo salutem.

Oli dubitare (vir illustrissime) quid in causa sit, cur istas nomini tuo cantiones ausim inscribere, & dicare: Præ cæteris enim, si non omnibus, at certè plurimis, nõ modò virtutum & litterarum communione celebris habitus es, sed etiam intensissimo in omnes Musarũ & Scientiæ filias amore insignis, & beneficentia non vulgari. Me verò, quantuluscunq; sum, maioris tibi debiti astrictum habes: cui tam comis, & per-benignus esse soles, vt ea vultus & verborum tuorum suauitas, fortassè haud mediocre mihi in re Musica adiumentum attulerit. Nam vt ex cœli temperie fruges: ita ex Mæcœnatum clementia Musæ dulciores & yberiores fructus facere solent. Quicquid igitur aut animo, aut calamo meo iamdudum suggessit Harmonia, meritò tibi insinuandum esse putaui: speroq; boni te consulturum.
